Experience

• Full Stack Developer

- Upwork Freelanser | 2024 - Present

I started working as a freelancer this year on smaller projects and I hope that the work will expand and increase everyday with new and more extensive projects.

• Various IT projects for my friends

- PC Enthusiast | 2009 - Present

The love and dedication to computers was a long time ago where I spent a lot of time on various IT skills working on several projects mostly for my close friends on a freelance basis.

Education

• International Slavic University

- Banking, Corporate, Finance, and Securities Law | 2010 - 2014

Finance and Banking is a study program that will help you develop your analytical skills as well as decision-making skills.
